Subject: Approved CourtSolutions Appearance Request for 2/10/2022

This email was sent by someone outside your organization.

Fred,

Your participation for the following hearing has been APPROVED:

Hearing Name: 286 Rider Ave Acquisition LLC
Case No.: 21-11298
Date: 2/10/2022
Time: 10:00 AM EST
Status: Live Participation

Account Information:

Dial In: **(646) 760-4600** (or any of the additional numbers listed below)
Cell Phone: (914) 320-3455
Pin Code: 124486
One touch dial in: **16467604600,9143203455,124486**

Please Note:

1. There is no need to press pound at any point.
2. The court can place you on hold and mute you.
3. **You must be on your computer or tablet to unmute yourself through the Hearing Dashboard. There are no keypad controls on your phone.**

To log onto your Hearing Dashboard, please follow these steps:

1. From your computer or tablet, log into **www.Court-Solutions.com** and enter your email address and password. If you do not have your password, click "Forgot Password" on the Log In Page.
2. Click on the large orange button labeled "Open Hearing Dashboard." The dial in information noted above will appear here as well for your reference.
3. Once you have dialed in, your screen will refresh, and you will see the Hearing Dashboard. The Hearing Dashboard is a visual representation of everyone on the call and has controls to mute/unmute yourself, raise and lower your hand, and in some courts, share documents.

Please keep your phone muted when you are not speaking (e.g., press the mute button on your cell phone). It will reduce interference on the call and can be easily changed by you if you are not on the Hearing Dashboard.

When you dial in, if you hear nothing, it means that the court has opened the line and muted it. If you hear background noise, it means that the court has an open line and the hearing will begin shortly. If you hear music, the court has not yet started the call. Please mute your line when you join a call and make sure that you are in compliance with the Judge's rules.

Click here to download the calendar

Please note that your reservation request may be changed or altered by the court and its discretion. For example, a "Live" request may be returned as "Listen Only" or vice versa.

If you need to change or cancel your reservation, **click here for further information**.

This approval is for you and should not be shared with anyone else. If someone else dials into the call using your registered credentials (your cell phone number and your PIN), this will cause you to be kicked off of the call.

Also, if you give someone else your credentials, the system and the Judge will record that you are present at the hearing. Credentials are specific to people and can only be used by that one person, they cannot be shared.

To make any changes to your participation, please visit us at www.Court-Solutions.com.

Our additional dial in numbers, which work exactly the same as our main dial in number, are:

Fred,

Your participation for the following hearing has been APPROVED:

Hearing Name: 286 Rider Ave Acquisition LLC
Case No.: 21-11298

Page 1

Date: 10/5/2021
Time: 10:00 AM EST
Status: Live Participation

Account Information:

Dial In: **(646) 760-4600** (or any of the additional numbers listed below)
Cell Phone: (914) 320-3455
Pin Code: 124486
One touch dial in: **16467604600,9143203455,124486**

Please Note:

1. There is no need to press pound at any point.
2. The court can place you on hold and mute you.
3. **You must be on your computer or tablet to unmute yourself through the Hearing Dashboard. There are no keypad controls on your phone.**

To log onto your Hearing Dashboard, please follow these steps:

1. From your computer or tablet, log into **www.Court-Solutions.com** and enter your email address and password. If you do not have your password, click "Forgot Password" on the Log In Page.
2. Click on the large orange button labeled "Open Hearing Dashboard." The dial in information noted above will appear here as well for your reference.
3. Once you have dialed in, your screen will refresh, and you will see the Hearing Dashboard. The Hearing Dashboard is a visual representation of everyone on the call and has controls to mute/unmute yourself, raise and lower your hand, and in some courts, share documents.

Please keep your phone muted when you are not speaking (e.g., press the mute button on your cell phone). It will reduce interference on the call and can be easily changed by you if you are not on the Hearing Dashboard.

When you dial in, if you hear nothing, it means that the court has opened the line and muted it. If you hear background noise, it means that the court has an open line and the hearing will begin shortly. If you hear music, the court has not yet started the call. Please mute your line when you join a call and make sure that you are in compliance with the Judge's rules.

Please note that your reservation request may be changed or altered by the court and its discretion. For example, a "Live" request may be returned as "Listen Only" or vice versa.
